WHAT WE OFFER

Serve sophistication & quality at your next event by booking with the award winning Sheila's Catering Co. We are passionate about the food we create, we love bringing people together and we provide stress-free, professional services in the lower mainland; from office luncheons to upscale weddings to thousand person events. Please visit our website for wedding, dinner, memorial and corporate menus. If you don't find the menu you are looking for, please reach out as we create many custom menus with varying themes to match your event and budget. We offer rental consulting, event management and bar services to help complete your event. Leave the details to us.
